Thank YOU Erie!

Our Erie community is *amazing*. People from all walks of life come together in unparalleled ways when someone is in need.

August 13th was no different as nearly 9 thousand people donated online to 391 area non profits raising \$5,539,752.00. Amazing!

The Friends Forever Organization is grateful for all the donations we received that day and every day. We use 100% of each donation for residents & their families. We are a volunteer run organization with no employees, no overhead and big hearts.

If you'd like to donate or volunteer, please contact LeeAnn Krahe, Director of Activities & Volunteer Services for more information.

There are just not enough words to describe just how beautiful this courtyard is; the picture can't even capture the reality of it. Mr. Tom Kunik and his wife loved gardening before Mary's admission. Tom has created this space as a tribute to his wife and it is truly a labor of love. Tom also plants a great vegetable garden for our residents as well. We are  grateful.

Our 23rd Annual Golf Outing Was another great success!

The weather was perfect and the Lawrence Park Golf Club course was in beautiful condition for our annual golf outing fundraiser. Twenty eight teams, countless raffle ticket buyers, our friends, families, employees and sponsors all helped raise around \$14,000 for our residents!

In the past few years, money raised from this outing has been used to beautify our activities lounge, purchase a fifteen passenger transport van, beautify our chapel area, and create our internet café. Thanks to hard work and generosity, we're making life for our residents & their families more beautiful.

Almshouse Cemetery Service Slated for Wednesday, September 11th

Our biannual service for the celebration of life and the scattering of ashes for those unclaimed souls will be held on September 11th of this year. Located on Blair Road, just west of our building, this event is not only moving but memorable. If you'd like more information, call us at 474-5521.

Look how interesting these are! Mr. Kunik planted these little buggers in our garden and they're called watermelon cucumbers. They're perfectly bite-sized and delicious on a hot summer day!

There's nothing better than a carnival and our residents loved trying to win these adorable animals that were lovingly donated by one of our nurses, Stacey,
