Two Great Fundraisers, One Awesome Month!

Our Book & Collective Goods Fair was unexpectedly cancelled when the storm of the century hit our area on March 2nd this year! Roads were closed and the vendor was turned back as the weather was not getting any better.

So, this event was rescheduled for Tuesday, May 8th, from 9:30-4:00 p.m. in our ground floor, main Activity Area. You'll be able to purchase many great books and gifts at a discount just in time for Mother's Day!

Our 3rd Annual Mother's Day Purse Auction is slated to take place on two days again, Friday, May 11th from 9:30-3:30 and again on Sunday, May 13th during our Mother's Day Brunch.

This event features a Chinese-auction style purse give-away in which every purse contains a surprise or two. Purses are fastened shut so there's no telling what could be inside and that makes the event even more fun!

A special bake sale will take place on the Friday Purse Auction for all of our non-purse-carrying friends so bring your wallet, your change, or your mother and buy some tickets to win!

Seussical the Musical HERE...ONSTAGE!

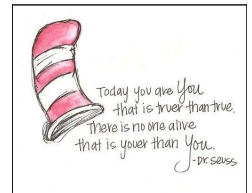

We are so excited to see the return of the Springfield Elementary crew on Wednesday, May 16th!

Each student has a job to do. Some take care of the building and

decorating the sets, some are in the chorus, some are in the play, and some move the sets around, some are the actors in the production.

These students take so much pride in their performance and it truly shows. Kudos to the proudest parents in the west county, their friends, family, teachers, support staff, administration, and golly, anyone involved in these great events.

Celebrate Older Americans Month & National Nursing Home Week With Us!

National Nursing Home Week is a week filled with exciting events and activities designed to celebrate all our elders and their love of life, family & fun. We've held spelling bees, baseball games, Olympic-style games, baking, cooking, and musical activities. There's no end to what our residents can do and we're there all the way to help them!

Join us during the week starting on Mother's Day through Friday, May 18th for our events. Check our social media pages for photographs and stories!

Health Tip Of the Month

As our days grow longer, exposure to UV rays from the sun increase. They can reach you on cloudy and hazy days, as well as bright and sunny days. UV rays also reflect off of surfaces like water, cement, sand, and snow. The hours between 10 a.m. and 4 p.m. are the most hazardous. UV rays from sunlight are the greatest during the late spring and early summer. Here are 5 tips to help prevent skin damage.

[Stay in the shade](#), especially during midday hours.

[Wear clothing that covers your arms and legs.](#)

[Wear a hat](#) with a wide brim to shade your face, head, ears, and neck.

[Wear sunglasses](#) that wrap around and block both UVA and UVB rays.

[Use sunscreen](#) with a sun protection factor (SPF) of 15 or higher, and both UVA and UVB (broad spectrum) protection.

Avoid [indoor tanning](#). Period.
