Calling All Gardeners & Clubs

If you've visited our facility before covid-19, you'll agree that our gardens are spectacular. Everyone loves to watch the bees, butterflies, hummingbirds, birds and the cheeky chipmunks of course!

We are searching our community for a garden club, or a few home gardeners to help our groundskeeper keep our courtyard areas trimmed and beautiful. Fellow gardeners, this is your chance to make a real difference in the lives of everyone walking through our hallways; looking out the big picture windows!

If you would like to help us out, please give LeeAnn a call at (814) 474-5521, ext. 260

As of our publication date in late March, we were still waiting for our turkeys to come back to our windows!

Making Progress In Our PT Gym

We've been making terrific progress toward the completion of the renovations to our Physical Therapy Gym! This project has been a labor of love and our maintenance department has done a great job making the vision a reality.

In February, we received and assembled storage cabinets and in March, we received and assembled the new desk system for our therapists. Our word clouds are ready to put on the walls and we're looking at our artwork options.

We're excited to be choosing the final finishing touches, and our Friends Forever are happy that they've managed to stay under budget for this project.

This has all been very exciting and we look forward to showing you our finished product!
